About IIM Amritsar

IIM Amritsar, under the mentorship of IIM Kozhikode, is the 15th addition to the family of IIMs. The students at IIM Amritsar have been taught by some of the best faculties from reputed institutes like IIM Kozhikode, IIM Calcutta, IIM Ahmedabad, XLRI, MDI-G, IIM-Indore etc.

Setup in the heart of the holy city, the Institute has been blessed with state-of-art infrastructure and great transport connectivity. Banking on this, the Institute has been able to distinguish itself in the league of new IIMs by enabling a robust industry-academia connection which has eventually manifested in the response the Institute has received during the placements this year.

With three national level conclaves in the field of General Management, Human Resources and Management Consulting, IIM Amritsar has emphasized significantly on instilling a contemporary industrial perspective as a part of its pedagogy.

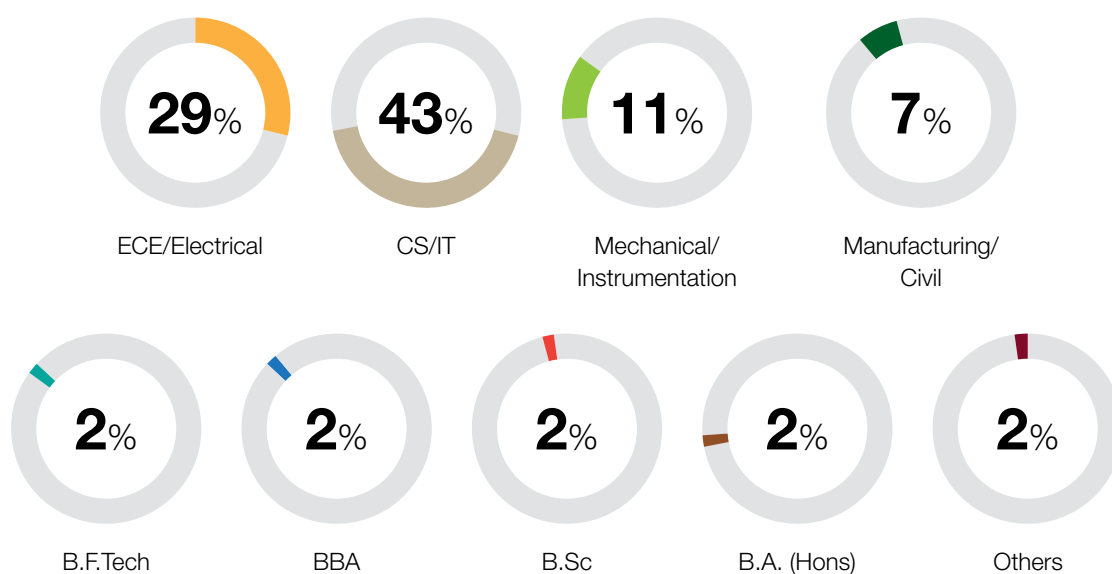

IIM Amritsar is the only new IIM to have doubled its batch intake to 105 in the very second year, a bold move which has fostered a vivacious co-curricular and extra-curricular life at campus.

Final Placements : PGP1 (Pioneering Batch)

The Final Placements season of the pioneering batch of Indian Institute of Management Amritsar saw a phenomenal response from the industry with over 53 companies participating in the entire process. A wide gamut of roles in domains like Finance, Consulting, Sales and Marketing, Operations, Analytics, IT, Business Development and General Management were offered. A total of 50 offers were rolled out to a batch of 44 students with the highest offer being 17 LPA and the average of the offers being 10.26 LPA. Few of the prominent recruiters participating in the process were ICICI Lombard, HFCL, Pidilite, Dell International, EY, KPMG, Motilal Oswal, GroupM, Emami Agrotech, Arka etc.

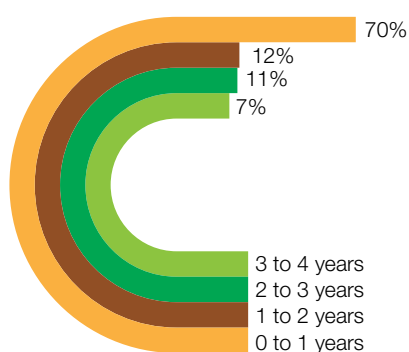

While the strong edifice of this institution would never have been setup without the robust and unflinching support of IIM Kozhikode and its Alumni, IIM Amritsar is proud to have setup a placement process that is strong and sustainable for the coming years. Under the guidance of our mentor director Prof. Kulbhushan Balooni and our nodal professor Prof. A. K. Swain, the entire placement season (Summer and Finals) was conducted at IIM Amritsar's transit campus.
